## Beautiful brand new prom dress bridesmaid dress to sell (60 GBP)

Location London, London https://www.freeadsz.co.uk/x-511105-z

I had bought this dress from online. It is light pink with beautiful detail at the top. Is a size 6. Unfortunately it just did not suit my colourings but it is stunning. Was £86 on website but I will charge less. It hasn't been worn at.
