Marvellous Electric Elka Organ

Location South West, Wiltshire https://www.freeadsz.co.uk/x-511146-z

FFOOAdSZauk

This is a fabulous Elka Organ and is quite impressive with the number of options and sound it produces. In good condition and has been working but has been in store and on trying it now there appears to be a loose connection to the speaker. Probably simple to fix for someone in the know. Advertised elsewhere so if interested make contact!
