Vanguard Alta Pro 263AT Tripod SBH 100 Ball Head (120 GBP)

Location London, London https://www.freeadsz.co.uk/x-513865-z

Selling a Vanguard tripod with ball head that I bought new 3 months ago. Honestly only used once to take a family photo. Tripod then kept in its box and never used again. It comes with manual, material bag, accessories and original box. VANGUARD ALTA PRO 263AB 100 tripod description: With unmatched stability and flexibility, Alta Pro tripods enable more angle possibilities than ever before. The Alta Pro 263AT tripod and SBH 100 ball head together make an impressive pair. 26mm 3 section aluminum alloy legs adjust to 25, 50, and 80-degree angles to enable extreme low angle photographySmooth fluid-like ball head rotates 360 degrees and includes a quick release plate and bubble levelsHexagon-shaped central column moves from 0 to 180 degreesThe Instant Swivel Stop-n-Lock (ISSL) System securely repositions the central column in one simple movementPremium magnesium die-cast canopy and antishock ringQuick flip leg locks and rubber feet with retractable spikesOutstanding stability and loading capacity Cash or Paypal on collection is fine or I can post item once full payment is cleared. No returns and no international buyers. Only UK buyers please. No time wasters please. If do not agree with this listing, then please do not waste my time and yours. Thanks and best of.
