I have loads more photos of pups and parents but site will only let me put up 3 photos. Happy to send more. Outstanding quality CHOCOLATE CARRIERS- Black and Tan, Sable and Tan puppies, sired by the famous DON CHOC, who is Chocolate and Tan, carrying blue and cream. Both parents health tested HC clear and mum patella tested and vet checked prior to mating. Mum is around 11kg and dad is under 11kg. All pups are MICROCHIPPED, they will be vet checked and will receive their 1st vaccination before leaving for their new homes. We have only DNA tested the girls available on stud owners advice, as he said boys will likely go to pet homes only. I am happy to DNA test boys but only if going as a pet first and to a small hobby breeder- indoor homes only! The girl available has been DNA tested and is DM clear and HC clear. Both parents are hc clear, so pups are too, will give copies of health tests. Again, she must go as a pet foremost and I may consider a small hobby breeder. Price reflects the quality as well as their DNA. Only 5\* homes need apply- no kennels, Indoor homes only. Weaned on RAW Diet . Please research raw diet if new to you. For the safety of our puppies, as well as our own, viewings will take place at a family member's home. Due to having a previous bad experience, we will ask for photographic I.D before we give out the address. We hope you understand and we feel genuine callers/ prospective new owners will not have an issue with this. High quality CCTV and alarm system also in operation.
