Apollo Chaos BMX Bike 20 inch wheels (Suit age: 8 yrs to 16 yrs).

 This has been maintained and serviced by a professional mechanic.

Condition: Everything working as it should. There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

Pricing: I believe my selling price is always reasonable. Rarely do I get hagglers, but for those that want to haggle, can always go and buy elsewhere. I have a workshop as in the pictures, and my prices have little room to be haggled.

Servicing:

My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts). On this bike all the brake cables have been changed, and new chain too.
