Swap 1 Bed in Southville for 2 bed Central Bristol, Other, Unfurnished, 1 Bedroom, 1 Bathroom, central heating, This is a bright, high-ceilinged, quirky first-floor flat in Bristol's sought-after Southville district. The flat is a minute away from the bike & pedestrian bridge over the New Cut and so the Arnolfini, Watershed, M-Shed and the bars & restaurants round the harbour are all a swift and pleasant walk away. Park Street and the city centre just a minutes or two beyond that. In the other direction & just as close are the Tobacco Factory, ALDI and the rest of the shops, deli's, bars & bistro's in Southville. Bedminster's ASDA - cheap & open 24hrs - is five minutes away by foot. The lounge here is huge and bright & the kitchen's a good size too. There's a good size bath/shower/loo. The bedroom isn't huge but our king-size double fits in there with room enough for two bedside tables, a chest of drawers & a wardrobe besides - so it's big enough and - bar the odd seagull or two in the summer - very quiet. The neighbours here are friendly & quiet, there's room for a couple of bikes under the stairs in the communal hallway. Solon deals quickly and efficiently with any repairs. It's a very nice, very cheap, interesting flat in a \*great\* location. We're looking for a two-bedroomed house (ideally), flat or maisonette in Bristol. Places in the city centre itself are very welcome but all \*central\* districts are welcome. We'll try to answer all queries at once and possible swappers are more than welcome to come and look at our flat. We're ready to move right now if you are. We're happy to talk about multi-swaps so if you're in, say, London & you're wanting to move to Bristol & you have Bristol places that want yours then do get in touch! We've done a multi-swap in the past and we're happy to do it.
