NULVL Studios is a newly launched vocal recording studio based in the London area. It is a comfortable environment featuring an isolated vocal recording booth, ambient lighting, high quality gear and an experienced producer/engineer that will help you bring your music to life. We offer many services and packages that can be tailored to your needs depending on what kind of project you are working on. Contact us through this ad or through our Facebook page (referenced up above) if you have any inquiries and we will be sure to respond to you as quickly as possible! You are also welcome to schedule a quick consultation with us at the studio so that you can see the room for yourself and discuss your needs with no obligation at all.

Our rates are as follows:

- Vocal recording sessions:
 Per hour: £30 (2 hour block minimum)
 4 hour block: £120
 6 hour block: £170
 8 hour block: £220

Included: studio hire with engineer, vocal recording, and a MP3 reference mix to take home (time permitting)
