Very small and compact Lenovo PC loaded with Windows 7 Professional and license fixed to case, with a 320GB hard drive loaded with all the updates and antivirus software. It's ready to go and has a DVD writer capable of creating DVDs and cds. It has 3gb of ram that can be upgraded together with a fast E5200 dual core intel cpu. This motherboard can be upgraded to INTEL quad core cpus to give you even faster speeds. It has a small onboard speaker that gives you sound, plus speaker outputs at the front of the case and the rear as well. It has a good selection of usb ports at the front and rear for connecting up all your usb devices. The onboard graphics can be upgraded with the low profile pci-express slot and also has a pci slot for any extra cards you need to use.

Its in excellent working order and in excellent condition as you can see from the pictures. This PC doesn't come with screen, keyboard or mouse, however it will all be seen working.
