Do you have an issue with your Computer or laptop at home? Is it running slow? Need software upgrading? Router wi-fi issues? Printer setup issues? Broadband issues? Then, this is where I can help. I have 20+ years of computer/IT experiences in fixing computer/internet/laptop issues. I am very understanding, accommodating, explaining things in easy to understand terms in what the issue is, and providing a friendly home service for your personal computer needs. An aftercare remote service is also available. I am also CRB checked/Security Vetted (Disclosure Scotland). Pricing: £30 (including 1st hour at your home), then £20 - thereafter per hour/part of (for the 2nd hour onwards). Minimum call-out charge is £30. I am available Monday – Friday, 10am until 4pm to suit you at a convenient time during the day. Locations covered: South East Kent (Belvedere, Bexley, Bexleyheath, Bromley, Chislehurst, Dartford, Greenwich, Erith, Lewisham, Plumstead, Sidcup, Swanley, Orpington, Woolwich areas). I can do the following: • Upgrades – memory.
• Upgrades – replacement of hard disk.
• Upgrades – replacement of Power Supply Unit (PSU).
• Upgrades – replacement of motherboard.
• Upgrades – replacement of video card.
• Upgrades– migration from the original slow hard disk/data to SSD (Solid State Disk).
