SYDNEY RANGE

Location East of England, Bedfordshire https://www.freeadsz.co.uk/x-518401-z

Balcony furniture set, Sydney range is ideal for tight space areas, this set comes with a table system that fits under the table very like our Rio or Marbella range. The table is ideal for fine dining and drinks. The set comes fully assembled and you can just open the box and you are ready to go. The seats come with cushions which are machine washable, and come in a cream colour. We sell this set in a brown or black rattan colour. The table comes with a tempered clear glass top. The set can be used for patio furniture, garden furniture or balcony furniture and is made from galvanised metal. The set offers something different from the usual sets seen in high end retailers which don't offer the same quality. At rattancube.ie we strive to source the best products available on the market and test all our products for months before we well them. Our team of manufacturers produce the best quality garden furniture available in Ireland. We can have this item delivered to you're door tomorrow if ordered today. Garden centres will not stock this type of item and will not offer the quick delivery we offer at rattancube.ie 2 Seater and Table Two Tone Black or Brown Rattan (Cream Cushions) Frame: Aluminium Chair: W58x53xH70cm Chair Cushions: Seat cushion 5cm Fabric: 180g waterproof polyester Table: 110x58xH74cm,with 5mm clear glass(safety).
