The K2 Marlee Pro Inline Skates are great for the new young rider who you want to excel at the sport of skating and plan for them to skate for years to come. These are definitely cute skates that every girl will love to skate on. These adjustable skates move up five sizes (1 - 5) so that as your child's foot grow, you can increase the size. What's great about this is they can easily be handed down to younger siblings too! Is in excellent clean!
