## 3 Seater Couch and Standard Chair (180 GBP)

Location Scotland, Stirlingshire https://www.freeadsz.co.uk/x-520877-z

Beautiful 3 seater couch with standard chair in black and red chenille and suede. Extremely comfortable, easy to fall asleep on couch with scatter back meaning you can set it up how you like and find comfy. The standard chair has been a fighting point in my family with who gets to sit on it. Again extremely comfy and very attractive designs on both of these items. Collection only before Monday 8th May as my new couch arrives then. Grab a bargain on this stunning matching set. May consider genuine.
