Book your next dream holiday or city break with Citrus Holidays. We have a range of cheap, holiday packages To Europe waiting to be explored. Citrus Holidays is part of Benz Travel established twenty nine years ago, a pedigree only a few other travel companies can claim and which we feel should give you a sense that you are dealing with both a solid and a secure company which has the requisite financial protection in place through our ATOL licence. We are also members of IATA and hold direct contracts with over 50 international Airlines including Virgin Atlantic, Emirates, Etihad, Qatar and United Airlines to name but a few. Citrus Holidays started off with the ideal of making tailor made holidays where an actual human being would make decisions based on value for money but always with the following question in mind: "Would I go on this Holiday?" You'll find some great ideas on our holiday pages such as our Kerala tour with Private car, elephant ride, backwater stays and meals included, or our top selling city break Rome & Venice where you get two cities for the price of One. We hope you like the website and the holidays we are constantly putting.
