Bestway above-ground swimming pool for sale. 2 years old but in a great condition. Selling due to being outgrown by the kids. Perfect size for an average garden – big enough to fit a family of 4, but not too huge that it will overpower your garden. Last spring we repaired a couple of pin-sized holes with Bestway pool repair kit and we haven't had any problems since.

It's been jet-washed and is ready to be put back together.

Collection only or will deliver very locally (within 10 miles of Camberley. This does not include the cover; see below).

Included with the swimming pool:

- Water heater
- Pump
- Pump filters x 3
- Tubes and clips for filter and pump
- Extendable pool net
- Ladder
- Heavy duty polycarbonate cover
- Ground sheet
- Water test kit
- Floating chlorine dispenser
- Chlorine tables

Granular shock powder

- 1 x 1kg balancing
- 1 x 1kg algaecide
- 1 x 1kg anti bug

(the above supplies are opened/started packs, none are full)

As we have a heavy duty solid pool cover (4.0 x 2.1m) for polycarbonate, very heavy we paid for it last year. It is fantastic at keeping the heat in and the dirt out (compared to so-called star covers, which are nothing but a large sheet of bubble wrap and collects dust / is pain to clean). Please bear in mind that if you want the cover – it's free included but you'd have to arrange the collection yourself as it is too large for us to deliver. You would also need 2 people to lift

DESCRIPTION

The 13.5ft Bestway Power Steel™ Rectangular Frame Pool Set is from Bestway's renowned range of superior strength, steel-framed above ground pools.

Features:

- Extra strength side walls are made with advanced TriTech material with 3 separate layers
- Heavy-duty rust-resistant metal frames
- Flow control drain valve for easy draining

Easy to set up

The metal frame pool is incredibly easy to construct, requiring no more than a pair of hands. Rigid, oval-shaped steel tube framing help create the shape of the rectangular pool and hold the durable 'metal tech' pool liner in place. No tools are needed, all metal parts clip together.

Easy to drain

Bestway pools have an integrated flow control drain valve for easy draining, which attaches to the garden hose so your pool water can be drained away from your garden – no soggy lawn. I will also include a separate submersible water pump that will significantly speed up the draining of the pool.

Durable

Made with Bestway's trademarked Tri-Tech™ construction, this material features a 3 ply reinforced layering system; a polyester mesh core encased in two layers of heavy gauge PVC, offering the utmost strength and durability.

Built to withstand large water volume weight, harsh ultraviolet rays and chlorine, and all weather elements this is a pool that's going to stand the test of time, giving you seasons and seasons of summer family!
