Enjoying Smart TV is now easier and faster

The industry's reference Smart platform just got better. The leading Smart TV experience is now even more powerful, with faster access to Smart features, true multitasking and an intuitive interface. As soon as you turn your TV on the Smart Hub provides instant access to your most frequently used and favourite content, channels and sources from the new customisable bar at the bottom of the screen. To enable you to access even more great entertainment the Smart Hub intelligently organises and manages all your content into five easy to navigate panels: On TV; Movies & TV Shows; Multimedia; Apps; and Games panel.¹

Enjoying Smart TV is now easier and faster
Enjoy great gaming on your TV without a console

Now you don't need a game console to enjoy exciting gaming at home. You can play the latest exciting games right on your Samsung Smart TV. Explore games using the new Smart Hub Games Panel, with categories including racing, sports, action and family games. You can even use your Samsung Smart Control or a compatible mobile device as the game controller. Enjoy some more family time with the Games Panel.²

Updated Smart View connects your TV, devices and content

Samsung's latest Smart View 2.0 app makes it easier to enjoy all your content however you like. Using your home network, you can stream live broadcast TV content to your smartphone or tablet and use your mobile device as a TV remote control. Or you can access and enjoy content on your Smart TV from your

smartphone or PC through Smart Hub's Multimedia Panel. It's easy to use, so all you have to do is enjoy.⁴

Updated Smart View connects your TV, devices and content

See your mobile content on a large TV screen quickly and easily

With your new Samsung Smart TV, you can enjoy content from mobile devices on a bigger screen quickly and easily. Samsung's enhanced screen mirroring technology makes the process simple, with no need to change the TV source. Just open the notification panel on your mobile device, select the Screen Mirroring icon and select the TV. That's all you need to do to enjoy apps, games and more on a full-size TV. ⁵
