I have a stunning litter of Kennel Club Registered HUU hereditary clear bulldog puppies available to permanent loving homes. They have been reared in our family home with lots of love and attention. They have been raised on the best diet of Royal Canin. All puppies are in excellent health and will be vet checked and micro chipped before they leave for new homes and have been wormed and continue to follow a worming programme. They have an excellent pedigree with many champions in there blood line including the world famous Sealaville lines. All puppies have the correct breed standard straight tails and no heavy overdone wrinkles and excellent bone and coat. They leave with puppy pack information guide on rearing your puppy and help and advise as required, 5 weeks kc insurance. I have over 17 years experience in the breed and also show and puppies have shown potential. For more information please get in touch and take a look at my website www.shuckstunbulldogs
