FingerTip Art Craft Tool Cutter, New in Sealed Pack (4 GBP)

Location **East Midlands, Nottinghamshire** https://www.freeadsz.co.uk/x-523747-z

FingerTip Art / Craft Tool, New in Sealed Pack For both precise & heavy duty cutting thanks to the razor sharp blade. For greater visibility and for intricate and delicate cutting needs - The blade cuts wherever your finger is pointing. Complete control at fingertips: Hold the tool as you would hold a pencil and "drive" the tool with your thumb and middle finger. Tip: To replace the blade, twist the collar counter-clockwise to release. Insert new blade in the slot and tighten by twisting the neck.
