We provide comprehensive preparation for the 11 Plus English and verbal reasoning papers in Wimborne and Ferndown, covering all examining boards and regions, including GL/NFER, Moray House, CEM, CSSE and ISEB. Our 11 Plus tutorials prepare candidates for entry into Grammar and Independent Schools, emphasising tailored presentation, targeted practice and personalised explanation, using a bank of proprietary 11 Plus questions and papers to enhance speed and accuracy and to build confidence and enthusiasm. We provide an informal assessment for each 11 Plus tutee at the outset. This provides focus and clarity for the preparation process, allowing us to target accurately where each tutee needs particular support. Working through the relevant 11 Plus specifications, our tutorials are also interactive and fun, developing creatively our tutees' knowledge, time management skills and ability to respond effectively to the variety of 11 Plus exam formats. We prepare our tutees for the 11 Plus English and verbal reasoning papers exclusively. Upon request we can recommend expert 11 Plus tutors to help prepare our tutees for the maths and non-verbal reasoning components. We tutor in the comfort of your home, online (via Skype or FaceTime), or at the home of one of our specialist 11 Plus tutors, at a time that is most convenient for.
