

PALES 40x9x2 picket style wooden fencing SIBERIAN LARCH fence (20 GBP)

Location South East, Middlesex https://www.freeadsz.co.uk/x-523902-z

20 units in one single pack.

Larch fence pales - planed and polished. Humidity 14 to 16 %

Polishing ensures paint stays firmly on the pale and does not peel off years later.

Made out of perfectly dry material which ensures high quality and a beautiful look.

Wood is dried to 14-16%humidity to prevent deformation and cracking.

Pales are perfectly smooth, no rough or mossy surface you can experience on wet wood from our competitors.

Dimensions 100cm x 9cm x 2cm, other height also available.

Pales can be painted as per customer's request.

We provide our own transport for increased product security.

Send us a query if you wish to see all designs.
