This is a brown leather double sofa bed. It's about 10 years old and is very comfortable. The bed springs are rusty and the mattress has some rust marks. It needs some good leather cleaner, some WD40 and a bit of tlc. I cover it in a throw and it looks fine. Free to collect from Worthing, ground floor flat with a wide road and ample parking. Length 1m 720cm depth 840cm and height.
