

# Mountfield Petrol Lawn Mower (50 GBP)

Location **South East, Kent**  
<https://www.freeadsz.co.uk/x-524945-z>

Laser 42cm cut mower with Classic Briggs & Stratton 35 petrol engine. Good starter, very solid clean machine with steel deck & grass bag collector. Runs smoothly & does a great job, simple push type with nothing much to go wrong. Oil changed, blade removed & sharpened on grinder. Carburettor diaphragm kit fitted last year. Only used a couple of times since then as it is just my spare. Collect from.
