

# All Saints Spitalfields - Ladies Size 10 distressed cotton summer shorts hot pants price

Location **West Midlands, Warwickshire**

My daughter reliably informs me that these shorts were tried on but then never worn. Judging by their condition I have no reason to doubt her word. I have washed them on a 40deg wash to ensure that they are also in tip top cosmetic condition. They are of a pre distressed design and look great.

You will not be disappointed with this garment. In the event that they are not suitable I am happy to accept a return if you cover the any original postage and your return postage costs.

Collection is possible from Stechford
