

Mighty Metro Scaletrix (20 GBP)

Location **South East, West Sussex** https://www.freeadsz.co.uk/x-527191-z

Complete box with all items and a few extra pieces of track also included. It was put into the attic twenty years ago in full working order. When tested recently we were unable to get it working, but I think it might just need someone who knows what they are doing to tweak.
