LEC under-counter freezer. Few years old but still working well. Three shelves, two baskets. Inside is very clean but on the outside the bottom of the door is 'blistering'. Still using until two weeks ago but as now purchased fridge/freezer is surplus to requirements. Approximate measurements - H: 33" x D: 21" x W: 19.1/2". Might be suitable as an emergency make-do or for use as extra freezer space in a garage? For collection only thank.
