

Kingsize double bed (150 GBP)

Location **South West, Hampshire**
<https://www.freeadsz.co.uk/x-527782-z>

Huge double bed (kingsize) needs to be dismantled by buyer. Mattress included. Buyer will need their own transport and removal as I will not be there to assist. I am selling all the furniture in the house; a sofa set, a couple of beds, dining furniture and a couple of other bits. I will put ads up but feel free to email me if you are interested in the lot and we can arrange a special.
