

# Infant hugaboo Seat (50 GBP)

1 of 1

Location **East of England, Bedfordshire**  
<https://www.freeadsz.co.uk/x-529484-z>

Softer and seemingly much more comfortable than other infant positioning seats on the market, the Hugaboo is perfect for helping your not so stable infant to sit assisted by plush surroundings! It's design is perfect for a beginning sitter, with a taller back, an attached seat bottom (which can unbutton for easy baby!)
