Sai Digital is a prominent name in the field of wedding photography, especially Asian wedding photography in the UK. Our expertise and experience range from Hindu weddings, Muslim weddings, Sikh weddings, Christian weddings, Chinese and Japanese weddings etc. We offer our wedding photography services to all nationalities, although we are especially sought after, for Indian wedding photography.

Rohit Gautam, who heads Sai Digital, is a Creative professional wedding photographer for pre-wedding shoots, bridal portraits, ceremonial shoots and even candid photography. With a wide range of digital photo shoots, Sai Digital is well known for its use of themes, light, charisma, and chemistry for bringing out the best photos of the memorable event.

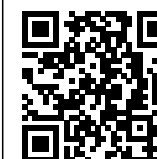

Sai Digital also offers comprehensive videography options too, and the team is keen to travel anywhere in the UK to cover the wedding as well as the pre and post-wedding celebrations. Additionally, Sai Digital makes sure that the wedding occasion is full of memories, with pictures encompassing each one of the friends and family. With professional post processing techniques, we make sure that your photographs highlight the happiness all around.

Sai Digital covers wedding events throughout the UK including London, Luton, Bedford, Reading, Oxford, Buckinghamshire, Surrey, Birmingham and other places.

Our Asian wedding photography packages start from £1500. To find out more, please call us on 0203 828 7078 0203 828 70...(click to reveal full phone number) (Rohit Gautam).
