Our little KC Registered Maltese Candy has given birth to a beautiful litter of Maltese puppies, 3 boys READY NOW to go to their new homes. Our other beautiful KC Registered Maltese girl Lacey gave birth to a litter of boys and girls. They will be ready for their forever new loving homes after 22nd June. Both are our girls first litters and both self whelped without any trouble what so ever. They are all beautiful little fluff balls, completely white with little black noses.

They are Full KC Registered and will come with 5 generation pedigree papers. They have been wormed, microchipped, paper trained, vet checked and have 5 weeks kennel club free insurance, which will be activated on the day you take your puppy home and will receive their 1st inoculation.

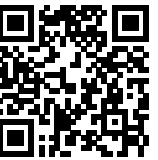

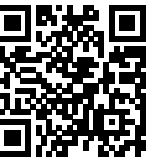

Mum and dad are small petite Maltese, both mums weigh approx 2.7 kgs and measure approx 8.5 inches to withers, dad is a very similar size but a little heavier, so I would expect the pups to also be the same when fully grown. I don't use the word miniature or teacup as I personally believe there is no such thing, they are simply smaller.

They are a beautiful, loving, non moulting and obedient breed, great for allergy sufferers. I will allow them go to forever loving homes only. They are use to all household noises and other animals and children and have been raised within our family home, we will be following the kennel club puppy training plan as they grow, which you can continue when you take your pet home. They get plenty of cuddles and kisses and love to be fussed.

Mum and dad can be seen at time of viewing if requested. 3 boys can leave mum now, but girls cannot leave until after 22nd June 2017.

A deposit of £250 will reserve your pup. Boys are being sold for £900 each and girls will be £1200 each -

please don't hesitate to contact us for a viewing or for enquiries at any time. Thank
