I'm looking for investments of 35000 and upwards to build a rental property portfolio.in return i will handle the day to day maintenance and general upkeep including dealing with tenants.i would ask for a portion of the monthly residual income and a purse split when the property is sold 7-10 years down the line.(obviously a conracy will be in place) a great investment opportunity as property doubles in value every 7-10 years.please call gavin on 07745484961 077454849...(click to reveal full phone number) to arrange a meeting or discuss further,thank
