Hello, I'm Paula, I'm a 45 year old woman who has nearly 10 years of experience as a Personal Carer with a NVQ Level 2 in Health & Social Care. I am physically fit and have dealt with some challenging circumstances but I am not deterred by this and like to do the best I can to provide support and help to the people who need it.

I worked for a private client for 5 years. Unfortunately, all my clients have suddenly passed away and I am looking for a private client who'd be interested in my work - as I'm tired of working for agencies.

I am very reliable with my attendance and I have excellent references from the family members of my private clients as well as my previous agencies.

I'm located in Bristol, but available to work between Bristol and North Somerset - within a 40mile radius. Also, I am currently looking for long shifts for both days and nights.

I hope what I have to offer suits your needs,

Please don't hesitate to get in contact with me for any further information.

Regards,  
 Paula
