I have a double room to let.

It's on Streatham Hill in the building called Cornerfield. The building is next door to Streatham bus garage..

Buses outside the building are heading to London bridge, kings cross, s. kensington, battersea, Clapham junction it also has service for night service buses.

Streatham hill station 4-5 min walk.

We don't have off street parking however all the surrounding roads offer no restrictions and therefore parking is free.

The building is friendly and secured.

Me- I'm looking for a room mate that is friendly, mature and clean. Im not one of those over friendly person and i do keep to myself most of the time or im out most of the time but im not a person that will ignore you and make you feel cold. My hours of work are quite long and therefore when I get home Netflix is top of my agenda.

PLEASE NOTE: the accommodation does not come with a living room. However the room is a Big double room that it is not missed. the pictures do not do justice.

The room has a lot more furniture since the pic was taken. Therefore it's not as empty as it looks.

The place has wifi.

Shortlets welcomed get back to me re: price
