Location **East of England, Norfolk**

These display stands are very similar to each other and can both be used together. The tallest one is 114 cms high x 48 cms wide with 24 hooks.

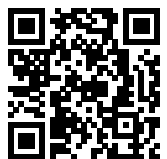

The other one is 99 cms high x 48 cms wide with 24 hooks. Both are made of metal, so are long wearing. They are ideal for display purposes as the hooks can easily be used for hanging items onto. Both are ideal for showing off any handmade items that you need to display using several individual hooks.

This would be ideal for jewellery, purses, belts, and any handmade items in polythene bags too. They would be handy for any craft or car-boot events.

Collection from Norwich,
