

Vitrex Versatile Power Pro 900 Bridge Saw Blade 230 Volt. (150 GBP)

Location **South West, Gloucestershire**
<https://www.freeadsz.co.uk/x-533948-z>

Direct drive produces constant cutting speed for ultra smooth cuts with Thermal overload protection to prevent overheating.

- Large water tray with submersible pump which delivers water to both sides of the active cutting wheel for essential cooling
- Oversized ""bench style"" slotted aluminium cutting table with integral drainage
- Sliding ruler and locking mitre guide for perfect straight cuts
- Fully adjustable mitre guide for diagonal tile cuts from 0 - 45
- Bridge tilts for 0 - 45 mitre cuts
- Sturdy folding leg supports with adjustable/locking feet to cater for small ground slopes/uneven surfaces and detachable lower shelf
- Convenient built-in carry handles and adjustable legs/feet for easy re-positioning and transporting between jobs. Perfect working order and well looked after. Not sold with original box unfortunately.

Specifications: Power Supply: 230v 50Hz Motor: 900w RPM (no load): 2800rpm Max Sound Level: 110dB(A) Max Depth Cut: 35mm Cutting Width: 610mm Mitre Cutting Angle: 0-45 Cutting Angles: 0-45 Weight: 48kg

Includes: 200mm continuous rim wet diamond blade included with some life left in it, when worn out they wander so be aware a new blade will eventually be required! Usual signs of wear and use, light scratches etc however fully accurate sliding/cutting motion for precision cutting. Purchased for one bathroom job that required high standard of porcelain tiling and finishing. Collection only on this although the buyer is welcome to arrange courier collection after payment for the item has been received. Viewing is welcome
