I am so sad to sell my Guinie pigs but I just don't have the time for them any more as starting a new job there are 4 Guinie pigs preferably would like them to be sold in pairs because they have never been separated the girls will scream if they are separated but the boys will happily not be in each other's company I am asking £20 for each Guinie pig , unfortunately they do not come with cages but can send with bowls water bottles the girls are 2 yrs and the boys are 5 months
