He is 1 year old imported German bloodlines. He is good with other dogs and children but he is very boisterous due to not having the time to train him as we work long hours. He is medium coat black and red. He has had all his injections comes with paper work has a pet passport and is microchipped he is fed on James well beloved junior puppy biscuits. He really is a lovely dog and it breaks my heart to let him go but it just isn't fair on him. He is house trained but living outside in a large dog run at the.
