

linx 7 windows 10 tablet (90 GBP)

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-536550-z>

i am selling a used linx 7 tablet running windows 10
 free 64gb micro sf card to increase built in storage

windows edge internet i have been using on the tablet
 complete with built in WiFi but you need your own WiFi or use public WiFi in a pub or coffee shop to
 connect to WiFi but i wodent advise that i would advise u use your home WiFi as the battery dosent last
 any longer than 2 hours at most unplugged i managed to get 1/half hours out of the tablet unplugged but
 that was hard pushed you get at-least 1 hour unplugged fully charged
 you will need to download a virus protection i was using the basic windows defender

the tablet is in really good condition
 brought originally from CEX WEBSITE

comes with all the leads including a USB plug not the original USB plug but still works fine
 1-1/2 hours battery life unplugged when fully charged
 this will be
 great for a 1st kids tablet
 comes with an adaptor USB lead so you can use USB on the tablet
 + USB charger + USB wall plug

it has the windows store which has great apps for kids
 it is in very good condition for its age and takes
 very well to being that the tape on the back because the label
 got stuck to the tablet and i way

if you are interested in buying the tablet give me a email and i will try to get back to you as fast as
 possible and if you want the tablet you can come and pick it up from my address where i live
 i just a few months ago did a complete reinstall on windows 10 to wipe the hard-drive

as the store had only put windows 8.1 on it on purchase so while Microsoft were offering windows 10 free
 upgrade from 8.1 to windows 10 i took the opportunity and upgraded
 so u now have windows 10 rather than windows 8.1
