This is a perfect condition and fully working Huawei Media Pad M2 8.0, 16GB in silver. I bought this a while back but don't really have any use for it so it seems a little pointless for me to keep it. It comes complete with all the original packaging/charger/leads plus a gel protective case and a cheap flip case too. It's had a screen protector fitted since day one. It's both WiFi and 3G. Here are some of the specs.
