Land Rover 90. Starts and drives. I've built it from a 300 TDI Land Rover chassis. I've fitted a 300 TDI Discovery engine and gearbox and axles. 1985 Body. Engine needs head gasket, timing belt broke, but engine is good. Needs finishing off. Unwanted project - no longer have the time or space to finish it off sadly. This vehicle has no ID. Pensford, near Bristol. Call please, no emails. Shane: 07770278144 077702781...(click to reveal full phone)
