

4 wire panels. 70 cm x 90 cm. (8 GBP)

Location London, London

https://www.freeadsz.co.uk/x-540369-z

The cages measure 70 cm x 90 cm. There are 4 panels. There are no clips but if one wanted a 4 sided cage erected, it would be pretty easy.

We used them to screen off various ponds for protection. They are a little rusty but still in perfect order otherwise.

Made of galvanised wire, I.
