For sale: 5.500 m2 (1,5 acres) parcel in the settlement of Pelekitos, an area of farm cottages near the town of Gargalianoi. Gargalianoi is in Messinia, which is located in the western part of Peloponnesse in south Greece.

The parcel contains 60 planted healthy olive trees (small Kalamata olives) and is ideal to cover way more than your yearly olive oil consumption, since the trees produce approximately 250 litres of olive oil per year!

Still close to bigger towns and with easy access to everything you might need, the plot is located 800m from the sea, in 20 min distance from beautiful Pylos and famous Costa Navarino beach, as well as some minutes away from several amazing beaches and numerous historical monuments. The land is buildable, with the ability to build an estate spanning on 200 m2 and up to 2 floors! As a bonus, the second floor will have amazing sea views of one of the most picturesque Greek landscapes!

Additionally, the parcel is cultivable, with water drill and of course, you can always plant more olive trees! The place is beautiful, ideal for agritourism, wonderful family summer vacations or a peaceful retirement! Amazing potential in a great offer! Price: 150.000€ negotiable.
