Scheppach Precisa 2.0 Table Saw - Spare Blade and Dust Collector

Excellent saw for the small workshop or site work where precision is important.
 Blade dia 200mm
 Blade inclination 45 / 90 degrees
 Mac Cutting height 45 deg 45 mm and 90 deg 60 mm
 Rotary speed 4750
 Table size 535 x 400 mm
 Dimensions 660 x 430 x 460 mm
 Single phase
 Weight 43 kg

Purchased 2014 for a small project.
 Spare Blade is new not used.
 Saw is in very good condition and mounted on a moveable base.
 Dust Extractor in very good condition - the bag is stained through getting wet - the bag is still in good condition however.
 I want to sell all three items as a job lot but am open to offers on each.
 Buyer collection only preferred.
 Payment - Cash on collection, Bank transfer or cleared cheque.

Instruction manuals and some tools which came with the saw are also included.
 I have both the saw and extra blade in good condition.
 I am selling for sale - I need the space in my workshop.
 If you are interested or want to see more information or to see or get the items for your own use.
