Very beautiful super cute and XXS extra small pocket size teacup Pomeranian girl. In lovely sable orange color. She is very petite and as fully grown adult she will be really tiny. Currently she weights 1.5 pound (700 grams) and is 6 inch tall (15cm). Therefore a very portable pet. She is very funny, sociable and playful. Super friendly and cuddly. She is also toilet trained and very smart and independent. He is a genuine miniature Pom with four generation pedigree papers, KC reg. She is up to date with all his vaccines and wormings. She has also been microchipped. Available immediately. The pictures are of the actual puppy. Genuine Teacup Pom. Only serious buyers please. Thank.
