Rashel quality suitcase. Selling cheap cause there is a damaged wheel issue. You can still pull it fine if you just put the weight on the other two front wheels. You can even pull it sideways so weight is on the two end wheels. So its still very useable as a trolley suitcase. The wheel issue is fixable if you have the time.

Hard shell gives great protection to any fragile goods you dont want squashed or broken. The depth is extendable by zipper so gives plenty storage. Glossy royal blue in colour. Wear & tear marks you'd expect from used suitcase. Lightweight. Great bargain considering original price. Does the job.
