Bought from my regional manager 2 years ago. Racked up the miles mainly on motorway (Swindon-Cardiff-Exeter,-Plymouth-Reading and Southampton.) The 525D engine is as strong as a lion and capable of huge mileage, so don't be put off.

In the time I have owned the car it has had all new road springs, all rear suspension bushes and recently new tyres all round and 4 wheel alignment. New MoT expires 02/08/2018 and had full service at same time.

I drove it to Limoges last summer with 3 large chaps and luggage, return leg on 3/4 tank.

Drives very well and everything works as it should. Odd marks around body but nothing major, Great car with ice cold air con and quality sound system.

Selling because I retire soon and it's too big, just bought a Golf.

Email for pics, if it stops...
