

VYAS Computer Services - Croydon and Greater London

Location **London, London**
<https://www.freeadsz.co.uk/x-543145-z>

I provide computer services to home users and small businesses.
 With 15 years experience, no job is to small or difficult.

I can visit you at home or conduct a remote session to diagnose and fix your issue or assist with your request.

Computer Services

- Is your computer slow or unresponsive?
- Do you need assistance with installing software?
- Have you experienced an error that will not go away or is preventing you from completing a task?
- Are you worried your device is not secure?
- Have you lost some information and want to know if it can be retrieved?
- Would you like to improve the performance of your machine?
- Do you need help setting up and securing your WiFi
- Are you experiencing poor WiFi signal and do you want to switch to a wired connection?
- Would you like to learn more about computers?

- > Fast, friendly and reliable service
- > Free call out service within 5 miles of Croydon
- > If I can't fix it I will not charge a fee
- > All my work is guaranteed

> My rates are very competitive
