This pristine / immaculate condition Apple MacBook from 2016 in Gold colour comes with an AppleCare warranty which runs until 20th April 2020 (please see pictures for proof). It is supplied with a slip case if collected and was intended to replace my daughter's 2011 MacBook Air but she can't be bothered with re-installing her data and programs - that's what Time Machine is for !! I have left a full copy (non-subscription) of Office on it. If you want a totally clean re-install of OSX you would lose this suite.

The specifications are:

- 1.2 GHz Intel Core m5 Dual-Core (Turbo Boost up to 2.7 GHz)
- 8GB of 1866 MHz LPDDR3 RAM
- LED-Backlit IPS Retina Display
- 2304 x 1440 Screen Resolution
- Integrated Intel HD Graphics 515
- 512GB PCIe-Based Flash Storage
- USB 3.0 Type-C Port
- 802.11ac Wi-Fi, Bluetooth 4.0
- Force Touch Trackpad
- MacOS Sierra
- AppleCare until April 2020
