## BA

### Business Analyst

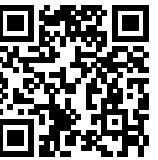

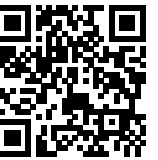

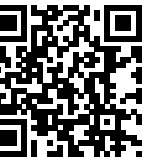

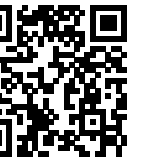

H2K Infosys based in Alpharetta, GA, USA provides online Business Analyst training. Our extensive Training covers topics from IT basics, SDLC, UML, Requirements Techniques, QA Testing to Project Management. We provide course material, video recordings and access to real-time environment to work on various software tools to gain hand-on experience. We offer life-time access to the BA course, mock interview sessions, and resume preparation sessions. Learn from our talented and successful Trainers who are industry experts.

**What is the role of a Business Analyst?**  
 A Business Analyst acts as a liaison between the Business and the IT Team (Project Manager, Architect, Developers, and the Quality Assurance Team). The Business Analyst gathers, analyzes and documents the requirements from the business users and communicates them clearly to the stakeholders.

**Why you should consider a career as a Business Analyst?**  
 BA is for Students/Non-IT beginners who wish to become a Business Analyst  
**NOT REQUIRED:** Computer Science Degree or Programming knowledge

Rewarding and Successful career in IT Industry  
 Pay scale is excellent for a Business Analyst even if you are a newbie to the IT industry  
 Job growth to transition into a role as a Project Manager  
 Enroll Today and become a Business Analyst!
