I have just three gorgeous blue eyed Snowshoe Kittens available, one seal point mitted female (show pattern) one seal point female, one blue point mitted female (show pattern). These kittens have had the best start, playful, happy and handled on a daily basis, they have been reared indoors, mum is a Snowshoe (GCCF active registered) and the Father is a champion pure Siamese (GCCF active registered) this produces pedigree first generation Snowshoe kittens. The Kittens are being sold to pet homes only, without paperwork although I am happy for people to have a copy of the parent's registration including four weeks free insurance. These supper babies have been regularly wormed with Panacur, flea treated and they are eating dry kitten kibble including kitten meat.

These kittens are fun and friendly, they will make a great addition to any new household as Snowshoe cats are intelligent and loyal with super personalities. The kittens are ready to leave now and I am selling on a first come basis as I will not be able to hold a kitten for people. If you think you can give a loving permanent home to one of these kittens then do contact me and please leave a message if Im unavailable to answer, kittens will be viewed with their.
