

Gibson Les Paul Standard (1,350 GBP)

Location **South West, Wiltshire**
<https://www.freeadsz.co.uk/x-545931-z>

Les Paul Standard, 2002 model in Lightburst. Lovely understated AA flame top, Burstbuckers, in excellent condition just a couple of very small marks and no buckle rash on the back, nicely ageing nickel hardware. Cream pick guard (never fitted so no screw holes) in original tan Gibson case. I've owned this guitar from new but I'm downsizing my collection so it needs a new.
