600mm x 600mm x 50mm Heavy Duty Paving Slabs (13 of)

British Standard flag paving suitable for high volume commercial or residential pedestrian areas. Pimped finish with good anti-slip properties.

Bought from Travis Perkins for £7.24 each (inc VAT) as part of a large order, and now surplus to requirements.

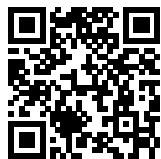

RRP: £94.12 so less than half price at £45 for the lot.

Please note that these are heavy duty paving slabs that should not be compared with paving normally found in DIY sheds like B&Q etc.

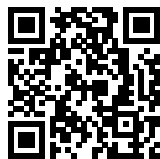

Due to size and weight, this item is available for cash on collection from the Cranbrook (TN17) area.
